

Car Solutions Insurance

Policy document

Your car insurance policy

Relevant to the entire policy

Your Policy is an agreement between you (the person shown in your schedule as the person insured) and us (Zurich Insurance plc) but is only valid if you pay the premiums.

Your most recent Statement of Facts sets out the information we were given when we agreed to provide you with the cover and the terms of the Policy.

Your Policy provides cover for the drivers, the insured car, and for the sections and period of insurance shown in your Schedule. You must read your Policy, Schedule, Statement of Facts, Certificate of Motor Insurance and any Cover Note or Endorsements as one single contract. Please read all documents to make sure the cover provided meets your needs. If this is not the case, please contact your insurance advisor as soon as possible.

You must tell us immediately if any of your information is incorrect or changes. If we have wrong information this may result in an increased premium and/or claims not being paid in full, or your insurance may not be valid and claims will not be paid.

You should keep a record (including copies of letters) of all information supplied to us in connection with this insurance.

Wherever we refer to the United Kingdom in this Policy, we mean England, Scotland, Wales, Northern Ireland, the Isle of Man and the Channel Islands.

Wherever we refer to spouse in this Policy, we mean your husband, wife or partner you live with as if you are married (including partners of the same sex).

Your Policy is governed by the law that applies to where you reside in the United Kingdom. If there is any disagreement about which law applies, English law will apply, in which case you agree to submit to the exclusive jurisdiction of the courts in England and Wales. Unless agreed otherwise, we will communicate to you in English.

Your Policy provides cover in the United Kingdom for the people and car shown in the Certificate of Motor Insurance for the period shown. For details of using your car abroad, see Section 14.

Please refer to 'What cover is applicable to my Policy?' on page 3 for details on which covers apply. Where your cover differs from the standard product offering this will be shown in your Schedule.

The conditions and exclusions that apply to all sections of your Policy are shown on page 11 and 12. Please make sure you read these as well as the cover shown in each section.

Your cancellation rights

If you decide that you do not want to accept the Policy (or any future renewal of the Policy by us), please tell your insurance advisor of your decision, in writing or by phone, within 14 days of receiving the Policy (or for renewals within 14 days of your Policy renewal date). We will charge you on a pro rata basis for the time we have been on cover subject to a minimum premium of £20 (plus Insurance Premium Tax). The balance of the premium will be returned to you but there will be no refund where you are cancelling the Policy following a claim where the vehicle is a total loss and is not being replaced.

Please see Condition 5 for full details of all cancellation conditions and charges.

Settling claims

For claims under Sections 4 and 5 of Part A of the Policy, we will at our option either repair your car or make a cash settlement, which will not be more than your car's market value at the time of the loss or damage.

Unless doing so would invalidate a car manufacturer's warranty, when we repair your car we may use parts or accessories which are not made or supplied by your car's manufacturer. They will be of a similar quality to the parts and accessories which are being replaced.

Vehicle damaged beyond economical repair or stolen and not recovered ('total loss')

If we decide that your vehicle has been damaged beyond economical repair ('total loss') or it has been stolen and not recovered we may settle your claim by making a cash settlement based upon the market value of your car in the United Kingdom at the time of the loss or damage.

Before we make payment you must send us the vehicle keys and documentation (including the vehicle registration document and, if applicable, the Department for Transport test certificate).

Continuation of Policy Cover

You will have 42 days from the date we make payment to you to:

- advise us the details of a replacement vehicle; or
- if we have agreed that you can retain the vehicle, provide us with a satisfaction note, schedule of works and engineer's report confirming that all necessary repairs have been carried out to a satisfactory standard.

Policy cover will be cancelled after 42 days with no refund of premium if we have not received details of a replacement car or confirmation of the completion of the necessary repairs to the existing car.

Nor will we make deductions if the claim is for the cost of replacement locks only.

Section 6 New car replacement

Following a valid claim under Section 4 or 5 of the Policy we will, as long as everybody involved agrees, replace your car with a new one of the same make, model and specification provided your car is in current production and available in the United Kingdom, if:

- you or your spouse bought it as new in the United Kingdom and are:
 - the first registered keeper; or
 - you or your spouse are the second registered keeper and your car has previously been pre registered in the name of the manufacturer or motor dealer and the mileage was less than 250 miles when you bought it. This cover does not extend to cars sold as ex demonstrators or nearly new.
- it costs more than 60% of the manufacturer's retail price, including VAT, to repair it; and
- it is less than one year old from the date of its first registration as new at the time of the loss. If we cannot replace your car with one of the same make, model and specification we will pay what you paid for your car, or the most recent new list price in the United Kingdom (whichever is less).

Section 7 Repairs

Following a valid claim under Section 4 or 5 of the Policy, we will pay the reasonable cost of taking your car to the nearest competent repairer and returning it to you when the repairs are complete.

- the use of an arm or leg.

Section 11 Medical expenses

Following an accident involving your car, we will pay:

- medical expenses of up to £200 for each person;

What you are not insured for:

- The first £60 of each claim if you use our approved repairer to arrange the glass replacement.
- If you do not use our approved repairer:
 - you will have to pay the first £100 of each claim.
 - the maximum we will pay for any claim after the above £100 deduction is £150.

You will not have to pay anything if the glass is repaired and not replaced.

Section 14 Using your car abroad

Your car is covered if you use it in European Union countries, as well as Iceland, Norway and Switzerland, as long as your visit is not for more than 60 days.

Following a valid claim, we will also cover the cost of any foreign customs duty you must pay, if loss or damage to your car, prevents its return to the United Kingdom.

If after 60 days your vehicle does not return to the United Kingdom (unless we have agreed to extend cover in writing), cover will be limited to the minimum legal requirement to use your car in that country. The minimum requirements of United Kingdom law will apply if these are higher than those of the country in which you are using your car.

What you are not insured for:

- Using your car in any country that is not listed above unless you have given us the details beforehand of the proposed trip and we have confirmed cover in writing.

Section 15 Loss of road fund licence

If your car is declared a total loss following a valid claim, we will pay for any road tax that is still left that you are not able to recover from the licensing authorities.

Section 16 Car-sharing

If you are paid as part of a car-sharing arrangement for social or other similar purposes, we will not consider this as 'carriage for hire and reward' as long as:

- the vehicle is not built or adapted to carry more than eight passengers; and
- you do not profit from the contributions you receive for the journey.

We will also cover you to carry out voluntary driving, that is, the use of the insured vehicle in connection with, or for the benefit of, charities, voluntary organisations, clubs or societies, where payment does not exceed the current HM Revenue and Customs mileage rates. This does not cover use for hire or reward or vehicles owned by, hired to or lent to the voluntary organisation.

Section 17 Courtesy car cover

If you have comprehensive cover we will provide Policy cover in the United Kingdom for:

- a car we give you temporarily after an accident; or
- a car your motor trader gives you, up to 1300cc, while your car is in a garage for service or repair.

A courtesy car will be provided to you while damage to your own vehicle is being repaired by one of our approved repairers following an accident or theft. Courtesy cars are Group A vehicles (e.g. small hatchback) generally with a manual gearbox and are available only in the UK.

If your car is subsequently deemed to be a total loss by a Zurich motor engineer, you may retain the courtesy car for 4 days. Hire beyond this period is available at a preferential daily rate.

If you have comprehensive or third party, fire and theft cover and your car is stolen and not recovered, we will arrange for you to have a courtesy car for a total of 7 days after the incident.

Section 18 Emergency overnight or travel expenses

We will pay you (and any person travelling in your car) up to £40 for any necessary overnight accommodation or to travel home if your car is stolen or damaged as a result of an accident covered by this Policy.

Other information

For each claim free year we will give you a discount until you reach the maximum level. If you do make a claim, the number of claim free years on which the discount is based will be as in the following table:

Claim-free years	Next renewal no-claims discount		
	First claim	Second claim	Third or more
1	Nil	Nil	Nil
2	Nil	Nil	Nil
3	1 year	Nil	Nil
4	2 years	Nil	Nil
5 or more	3 years	1 year	Nil

Uninsured drivers

If you make a claim following an accident and the driver of the other car is not insured you will not lose your no claims discount or have to pay any excess provided:

- we establish that the accident is not your fault;
- you give us the other vehicle's make, model and registration number; and
- the name and address of the person driving the other vehicle.

You may have to pay your excess when you first claim and may also temporarily lose your no claims discount. If subsequently we are satisfied that the accident was not your fault, we will repay your excess, reinstate your no claims discount and refund any premium which may be due to you.

Part B Uninsured Loss Recovery and Legal Expenses

If you (for the purposes of this part you means yourself or any person driving or travelling in your car with your permission) have a motor accident in the United Kingdom (or a country listed under Section 14) that is insured by this Policy and it is not your fault, DAS Legal Expenses Insurance Company Limited (DAS) will help you get back your uninsured losses and claim resulting damages or compensation (or both) for death or personal injury.

DAS will pay your reasonable legal costs and fees for each accident up to £100,000 (less any legal costs and fees you have already claimed back) if DAS have agreed beforehand to the purpose and amount of these expenses. You must claim back all the legal fees and expenses you are entitled to. DAS will set these against payments we make under this part of the Policy.

Before legal proceedings are issued, DAS will appoint a legal representative to act for you. If legal proceedings need to be issued, you may choose your own legal representative if DAS approve them. If you and DAS cannot agree on a legal representative, DAS will ask the Law Society to choose a legal representative, which you and DAS must both accept. DAS are entitled to get any information from the legal representative.

It is a condition of this cover that you take all reasonable precautions to reduce the amount of legal costs and fees you must pay for.

If there is a disagreement between you and DAS, DAS and you may agree on an arbitrator. If you and DAS cannot agree, the Law Society will name an arbitrator and their decision will be final.

FREE legal advice

DAS also provide a legal advice helpline 24 hours a day. It could be over a dispute with your garage over servicing costs or for advice if you're stopped by police. DAS can even advise on your rights when you buy a car. One call is all it takes to 0800 026 1831.

All legal advice is provided free of charge, whenever you need it. You just pay for the phone call.

Uninsured Loss Recovery and Legal Expenses is underwritten by DAS Legal Expenses Insurance Company Limited.

What you are not insured for:

Any legal costs and fees if:

- the accident is caused by a fault in your car;
- you instruct a legal representative without the agreement of DAS beforehand;
- you report a claim to DAS more than 180 days after the accident;
- DAS consider that the continuance of your claim does not have a reasonable prospect of success, or that the legal costs and fees are not in proportion to the amount you are claiming;
- they arise in a dispute that you have with DAS;
- you act against the advice of DAS or the legal representative appointed;
- you unreasonably withdraw from the legal proceedings or your claim is settled or discontinued without agreement beforehand;
- the legal representative refuses to act for you; or
- legal costs and fees incurred by you against the driver or another occupant of your car at the time of the accident.

Parts C to F of this Policy are provided by Green Flag Limited and underwritten by UK Insurance Limited.

Cover under these parts only applies if they are shown in your current Policy Schedule.

If the car cannot be repaired at the roadside, it will be taken, together with the driver, up to seven passengers and any standard make of caravan or trailer you are towing, to the nearest garage within 25 miles for it to be repaired at your cost. (A standard make is up to 7 metres long, 3 metres high, 2.25 metres wide and not weighing more than 3.5 tonnes when loaded).

What you are not insured for:

- The cost of replacement fuel or spare parts.
- Assistance or recovery within 1/4 mile of your home address.

Greenflag may choose to repair your car (at your cost) following a breakdown, rather than arranging for it to be recovered.

Greenflag are confident of a fast response you can claim £10 if help doesn't arrive within 60 minutes of your call.

Breakdown assistance does not affect your No Claim Discount.

Part E Nationwide Breakdown Recovery Service

The breakdown cover under Part C is extended to include the following:

Part F European Breakdown and Accident Assistance

You:

- are responsible for the cost of fuel and other expenses necessary to continue your trip; and
- must keep to the conditions of the hire company.

What you are not insured for:

- If you lose your deposit because the hire car is damaged, or because you do not put more fuel into the hire car.

2 Returning your car to the United Kingdom

If your car cannot be repaired, or is stolen and not recovered by your expected departure date or is recovered after you have returned to the UK, Greenflag will pay:

- the cost of transporting you and your luggage to your home in the United Kingdom;
- the cost of transporting your car to your home or repairer of your choice in the United Kingdom, or up to £600 for you or a driver of your choice to return from the United Kingdom to collect your car; and
- up to £100 for storing your car abroad.

The most Greenflag will pay to return your car will be its current market value in the United Kingdom.

3 Chauffeur service

If your driver is taken ill and nobody is qualified to drive your car, Greenflag will give you a chauffeur to help you return home if everyone is medically fit to travel. Greenflag will also pay, for up to five days, £45 for each person a day to cover reasonable accommodation expenses.

4 European motorways

If the police arrange for an independent garage to recover your car, Greenflag will pay the costs of this. Please keep your receipt.

What you are not insured for:

- Costs you would normally have as part of your journey.

Conditions which apply to this Policy

- 1 You must do all you reasonably can to prevent loss or damage to your car and maintain it in a roadworthy condition.
- 2 Everyone covered by this Policy must follow the Policy terms and conditions. All drivers must have a valid driving licence and follow the conditions of their licence.
- 3 If, by law, we must make a payment that is not covered by the Policy, we have the right to recover this payment from you or the person who is liable.
- 4 You must tell us immediately about any accidents, claims or legal proceedings in connection with this Policy, and give us all the information and help we may need. This will include details of any charges brought by the police against you or the person driving your car arising from an accident for which a claim is being made under this Policy. You must send any writ or summons to us immediately it is received. We will make a decision on liability and decide how to settle or defend a claim, and may carry out proceedings in the name of any person covered by the Policy, including proceedings for recovering any claim payments.
- 5 We may cancel your Policy where there is a valid reason for doing so by giving you seven days notice in writing to your last known address and we will refund any premium which may be due to you in accordance with the terms of this condition. Valid reasons may include but are not limited to:
 - If you advise us of a change of risk under your Policy which we are unable to insure;
 - Where you fail to respond to requests from us for further information or documentation;
 - Where you have given incorrect information and fail to provide clarification when requested;
 - The use of threatening or abusive behaviour or language, or intimidation or bullying of our staff or suppliers, by you or any person acting on your behalf.

You have the right to cancel your Policy at any time by contacting your insurance advisor.

If the Policy is cancelled within 14 days of you receiving it (or for renewals, within 14 days of your Policy renewal date) we will charge you on a pro rata basis for the time we have been on cover subject to a minimum premium of £20 (plus Insurance Premium Tax). The balance of the premium will be returned to you but there will be no refund following a claim where your car is a total loss and not being replaced.

If the Policy is cancelled at any other time we will charge you on a pro rata basis for the time we have been on cover.

We will not refund any premium if we have paid a claim or one is outstanding when the Policy is cancelled. Where either you or we cancel your Policy and you pay under a credit agreement with us, you authorise us on your behalf to cancel your credit agreement.

If you are paying by credit agreement and you have made a claim you must still pay the balance of the full annual premium under your credit agreement with us. If you do not do this we may take the balance of any outstanding premium from any claim payment we are making to you.

If you fail to pay your premium we may cancel the policy and refuse your claim or take the balance of any outstanding premium due to us from any claim payment we make to you. This may mean that we fulfil our obligations to any claims against your Policy by a third party but seek full recovery of any sum made under your Policy directly from you. This may include the instruction of solicitors or other recovery agents.

If you have purchased additional Zurich breakdown cover and you cancel this cover more than 14 days after receiving the Policy, independently to your Policy, there will be no refund.

6 Your duty to check information and tell us of any changes

It is important you check your most recent Statement of Facts as this sets out the information we were given when we agreed to provide you with the cover and the terms of your Policy.

Although we may undertake checks to verify your information, you must take reasonable care to ensure all information provided by you or on your behalf is accurate and complete.

You must tell us immediately if any of your information is incorrect or changes. If we have wrong information this may result in an increased premium and/or claims not being paid in full, or your insurance may not be valid and claims will not be paid. If in doubt about any information please contact us as soon as possible.

Changes to information we need to be informed of include, but are not limited to, these situations and apply equally to all drivers covered under the Policy:

- accidents (fault or non-fault) whether or not resulting in a claim;
- thefts (of or from your car);
- driving disqualifications;
- convictions or pending prosecutions for any motoring or criminal offence;
- change of your address or where your car is parked overnight

- any health matters affecting ability to drive;
- make and model of your car;
- full or part time occupation;
- use of your car;
- modifications to your car (both cosmetic and/or performance enhancing);
- drivers of your car;
- annual mileage;
- type of licence and date test passed.

If you change the insured car, the drivers or how you use the insured car, we may not be liable until we have issued a new Schedule and either a Cover Note or Certificate of Motor Insurance. If you make any changes to your insured car your insurance will not be valid until we have agreed to accept them.

Any changes, if accepted by us, will apply from the date indicated on your updated Schedule. In this case we will be entitled to vary the premium and terms for the rest of the period of insurance.

If the changes are unacceptable to us and we are no longer able to provide you with cover, we or you can cancel your Policy, as set out under Condition 5.

If you have given us inaccurate information this can affect your Policy in one or more of the following ways:

- 1) If we would not have provided you with any cover we will have the option to:
 - a. void the Policy, which means we will treat it as if it had never existed and repay the premium paid; and
